

# Level 5 Management Coaching and Mentoring

## Coaching - give managers the tools to inspire others

**In these challenging times organisations need to ensure they are performing efficiently and maximising the talent and experience of their current workforce. This is where CMI can help your organisation.**

Introducing the new level 5 Management Coaching and Mentoring qualification is designed to support managers achieve their business goals, by giving them the skills to identify, motivate, and develop in-house managerial talent, leading to lower recruitment costs, higher staff retention and increased business performance.

In addition, the level 5 Management Coaching and Mentoring qualification is a highly flexible approach to learning that allows you the freedom of choice to select from a broad range of units and allow you to choose from achieving an Award by completing one unit to a minimum of 5 credits, a Certificate with a combination of units to a minimum of 13 units or a Diploma by completing a number of core and optional units to a minimum of 42 credits.

**Award** is a concise qualification aimed at developing basic skills and knowledge at this level

**Certificate** builds and broadens on the areas covered in the award

**Diploma** develops a comprehensive range of skills and knowledge required at this level

This qualification enables participants to focus on a specific area appropriate to their personal and organisational development, and adopts a blended learning approach through facilitated workshops, assignments applicable to an individual's workplace, with learning resources provided through CMI ManagementDirect.

ManagementDirect is a web-based resource that allows a self-directed and flexible mode of study, and provides instant access to first-class content and supporting literature throughout the qualification.
