COMPLETION PROCESS OVERVIEW - Qualification

INTRODUCTION

The Chartered Management Institute (CMI) has undertaken detailed mapping of the MOD service courses with a view to recognising them against nationally recognised qualifications. CMI has fully recognised that your Defence Diversity and Inclusion Adviser - D&I (A) Course meets some of the requirements for the CMI Level 5 Award in Managing Equality, Diversity and Inclusion.

- The CMI Level 5 Award in Managing Equality, Diversity and Inclusion comprises of the following unit 506 that totals 50 TQT (Total Qualification Time)/ minimum 5 credits.

Note: You may register for this qualification but this must be clearly indicated on the Registration Form. Combining qualifications will increase personal cost, though this may be substantially reduced if SLCs can be used.

To acquire the CMI Level 5 Award in Managing Equality, Diversity and Inclusion, you must complete and submit the following assignment (506), comprising a number of tasks, as contained in this completion pack.

The qualifications are immediately transferable to, and acknowledged by, the civilian business world as a benchmark qualification expected for a team leading management position. The qualifications are recommended to all students as an extremely valuable addition to your in-service qualifications.

Note: you have 12 months to submit your external assignments for marking. It is very important that you contact CMI by telephone: +44 (0) 1536 207496 before this time if you are encountering difficulties (see below).

Important: It is recommended assignments are submitted for marking 12 weeks before the end of the 12-month period. This will allow for the 6 weeks Service Level Agreement (SLA) that CMI have to return your assignment results, and, in case of an assignment referral that means your assignment will need more work and will have to be re-submitted again for marking.

- **If there is no contact, CMI will default for you to receive the Recognised Status. There are no refunds for lapsed candidates.**

ASSESSMENT GUIDANCE FOR LEARNERS

CMI provides a comprehensive external quality assessment service. Currently all units within the Management and Leadership qualifications from Level 2 to 7 have an assignment brief available.

CMI provides a six week service level on all assignments received.

Learners are required to complete all tasks and Assessment Criteria.

ASSESSMENT GUIDANCE

Submission directly to CMI EA Marking

All work must be submitted in a single electronic document (.doc file). The document must be marked with the learner's name, P number and unit number. Electronic assignments should be sent to the Programme Director.

Please note CMI do offer a paper based assignment service for learners that are unable to provide an electronic copy only. Please post the assignment to External Assignments, Awarding Body, Management House, Cottingham Road, Corby, Northamptonshire, NN17 1TT.

The assignment should be your own work and not direct copies of theories or models. Any models described and other quotes used must be properly attributed and referenced as appropriate. Learners must acknowledge or reference any sources that have been used to complete the assignment, listing reference material and web sites used, appendices must not be included.

Learners are encouraged to produce a reflective statement of no more than 300 words (which does not count towards the final word count), describing the value and knowledge gained from undertaking this assignment. The reflective statement is not assessed; however it encourages you to review the value and application of your learning.

PLAGIARISM & COLLUSION

In submitting the assignment the learner must complete a statement of authenticity (included in the Completion Pack) confirming that the work submitted for all tasks is their own and does not contravene CMI policies including word count and plagiarism.

Academic offences, including plagiarism and collusion, are treated very seriously. Plagiarism involves presenting work, excerpts, ideas or passages of another author without appropriate referencing and attribution. Collusion occurs when two or more learners submit work which is so alike in ideas, content,

wording and/or structure that the similarity goes beyond what might have been mere coincidence. Plagiarism and collusion are very serious offences and any learner found to be copying another learner's work or quoting work from another source without recognising and disclosing that source will be penalised.

In submitting their assignment for the unit, and completing the relevant statement of authenticity, learners are confirming that the work submitted for all tasks is their own and does not contravene the CMI policies including word count, plagiarism and collusion. CMI reserves the right to return assignments if the necessary statements of authenticity have not been completed.

Learners found to be in breach of these regulations will be reported to the relevant CMI contact for deliberation. The learner will be notified in writing of the outcome of the investigation. In the event that a learner is found to have perpetrated malpractice, the learner will be withdrawn from his/her qualification immediately; fees will not be refunded, the relevant Regulatory Body will be informed and membership of the CMI will be withdrawn.

APPENDICES

Appendices should not be included. All use of tables, graphs, diagrams, Gantt charts and flowcharts should be incorporated into the main text of the assignment. Any published secondary information such as annual reports and company literature, should be referenced in the main text of the assignment but not included.

CONFIDENTIALITY

Where learners are using organisational information that deals with sensitive material or issues, they must seek the advice and permission from that organisation about its inclusion in an assignment. Where confidentiality is an issue, studying members are advised to anonymise their assignment so that it cannot be attributed to that particular organisation.

WORD COUNT POLICY

In total, it is required that your assignment should be between 3500-4000 words. Learners must comply with the required word count, within a margin of +10%. These rules exclude the index (if used), headings, information contained within references and bibliographies. When an assessment task requires learners to produce presentation slides with supporting notes, the word count applies to the supporting notes only.

Where a learner's work has contravened the word count policy, it will be reviewed by the Marker and Lead Moderator before a final decision is made.

REFERENCING & PROFESSIONALISM

A professional approach to work is expected from all learners. Learners must therefore identify and acknowledge ALL sources/methodologies/applications used. The learner must use an appropriate referencing system to achieve this. Whilst marks are not awarded for the use of English, the learner must express ideas clearly, succinctly, and ensure that appropriate terminology is used to convey accuracy in meaning.

INSTRUCTIONS & INFORMATION FOR LEARNERS

The external assignment is set and assessed by the Chartered Management Institute. It is designed to assess your achievement of all the Learning Outcomes and associated assessment criteria in the relevant unit of the qualification you are undertaking.

You should make sure that you plan your work carefully, to ensure that you cover all the requirements of the assignment, and complete it within the time limit specified.

Your statements, in answer to the tasks, need to be prefixed with the specific task number and unit title. This will help you keep on track and should ensure you address the details. Work submitted without a task prefix will be returned unmarked. Your statements should not be just a description of workplace activities but should include what you have learned from your programme of study. In other words you need to show how you can relate what you have learned to day-to-day management activities.

You must submit your work as a single electronic word document (.doc file). You should mark the assignment with your name, learner number, the unit number, Defence Diversity and Inclusion Adviser - D&I (A) Course with Defence Leadership Centre D&I(A) Course and a brief description of the context in which the assignment was undertaken. You may include a title page if you wish. You must show a total word count on the front page of your assignment. You are strongly advised to keep a copy of your completed assignment before you submit it for assessment – the copy you submit will not be returned to you. Your assignment may be kept by the CMI for quality assurance purposes. Any assignment not kept for quality assurance will be securely destroyed.

CMI will assess your assignment, and the result will be sent to you, normally within 6 weeks of receipt by the Institute.

If your assignment is assessed as referred, notification will be sent to you with an indication of the areas to be addressed. You may resubmit an assignment on a further two occasions during your period of registration as a CMI learner.

If there is anything in these instructions or in the assignment itself which you do not understand, please seek guidance from CMI by phone on 01536 207496.

Please note: It is important to recognise approaches to planning differ between organisations; however the process will likely remain the same. In some organisations the plan to support equality, diversity and inclusion will be presented as a standalone document, in other organisations, it will be embedded into a wider organisational plan or strategy.

SCENARIO

You work for a large organisation which is committed to providing quality services and support to its customers. The organisation has a large number of internal and external stakeholders which includes staff, trustees, management boards, customers, charitable groups, regulators and suppliers. It receives some income from government grants and public providers such as the NHS and Private Finance Initiatives (PFI). As part of these funding agreements, the organisation has to evidence that it upholds the principles of equality, diversity and inclusion as well as complying with legislative requirements.

The senior management team has made the decision to initiate a new project to improve the organisations commitment to equality, diversity and inclusion. Specific areas which will need to be reviewed include:

- *The collection and use of diversity data*
- *Career progression for Black, Asian and Minority Ethnic (BAME) staff*
- *The diversity of management teams*
- *The quality and impact of staff training on equality, diversity and inclusion*
- *The content of marketing materials*
