

CHARTERED MANAGER

#IAMCHARTERED

Do you strive for excellence? Do you deliver positive results for your business? Can you track the link between the two? As a Chartered Manager you'll join a community of high performing professional managers at the top of their game who are self-aware and skills focused, delivering real value for their business.

HOW WILL BECOMING A CHARTERED MANAGER BENEFIT YOU?

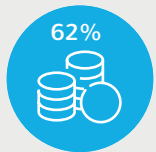

I AM REWARDED

Your superior management skills as a Chartered Manager can earn you up to an average of **£13K** more than non-qualified managers

I AM CONFIDENT

Employers want managers who can deliver. **76%** say that Chartered Manager status is proof of your skills making you a candidate of choice.

I AM TRUSTED

Chartered Managers boost an organisations revenue by **£62K** per annum rewarding your employer for his investment in you.

I AM CONNECTED

With a global membership of over **130,000**, CMI gives you access to a wide network of professionals at all levels.

I AM SUPPORTED

Exclusive access to over **19,000** articles, e-books, checklists, templates, models, videos and more keeping you ahead of the game.

HOW DO I BECOME A CHARTERED MANAGER?

Gaining Chartered Manager status involves reflecting on your management experience and learning to date. You are fully supported throughout your journey by a CMI Assessor / Advisor.

There is a fast-track and full assessment process dependent on your level of experience and qualifications. Don't worry, even if you do not hold any formal management qualifications, CMI will support you to becoming a Chartered Manager through your experience alone.

“

Chartered Manager gives you the tools to take on a challenge.

Matthew Carr CMGR FCMI
Chartered Manager of the Year

”

Matthew is just one of the thousands of Chartered Managers to harness their full potential, for their employers and themselves. With 83% becoming better managers for it, and 73% going on to exceed their targets.
