

# ARE YOU INTERESTED IN MANAGEMENT CONSULTANCY AS A CAREER?

Be the best and Get Chartered with us...

**75%** of business and management students say they looked for a professional accreditation in further education

Consultancy training and development programmes that are accredited against the professionally recognised Chartered Management Consultant framework provide a route to Chartered status.

## IMPACT OF BECOMING CHARTERED ON YOU

say their self awareness has increased

say their self confidence has increased

## IMPACT OF BECOMING CHARTERED ON YOUR CAREER

allows me to demonstrate a level of excellence and credibility to clients

it demonstrates my commitment to management consulting as a profession

“ The launch of the Chartered Management Consultant Award heralds a new era for management consultants wanting to attain professional recognition of their leadership and will give clients greater confidence in the services they're buying. Practitioners earning Chartered status will benefit from showing that they're at the top of their profession, putting them in pole position in their organisations.

**Ann Francke OBE CEO, CMI** ”

\*Chartered individuals add incremental value to their organisations increasing their worth

\*Oxford Economics modelling to estimate economic value of becoming Chartered on UK economy, businesses and individual May 2019.

Our members are proud of the high standards of professional development and achievement of their people and we are pleased that for the first time this is being recognised through the Chartered Management Consultant Award. Ultimately, our aim is to secure greater recognition for the professionalism of management consulting and ensure that it is valued and respected by the industry as well as by clients seeking professional and qualified consulting support.

**Tamzen Isacsson, CEO, MCA**
