

GET YOUR SKILLS ACCREDITED

Take your career to new heights with a CMI recognised qualification

Our experience of providing accreditation for the Armed Forces training and development programme is extensive. CMI Management and Leadership qualifications are the 'qualification of choice' for many in the Armed Forces, and its unique status means a CMI qualification is recognised as the gold standard both in the UK and overseas, offering practical skills for now and life after the Armed Forces.

WHY CHOOSE CMI?

160,000+

Growing network of over 160k members

Globally recognised

Only professional body able to award Chartered Manager Status

Over 70 years experience delivering Management and Leadership training

Extensive existing relationship between CMI and Armed Forces

The Chartered Manager Status from CMI is of great benefit to me now and when I seek employment outside of Armed Forces, and it will help me enormously in positioning me at an appropriate senior level.

Lieutenant Colonel Jonathan Martin CMgr FCMI

CMI

THE CMI OFFER

Refreshed to give you even more choice, our accredited qualifications are a great way of evidencing your command and leadership skills throughout your career progression in the Armed Forces as well as benchmarking the practical application of your skills against civilian management requirements.

CMI Certificate of Recognition

- Your course mapped against our Professional Standards
- 12 months free CMI membership.
- Endorsed certificate on completion
- Translates the key capabilities, knowledge and behaviours you have gained that civilian employers will understand.

CMI Globally Regulated Qualification*

- Pathway to achieving Chartered Manager Status
- 12 months free CMI membership
- CMI globally recognised qualification on completion
- Foundation Chartered Manager status**

*Additional written assessment is required to achieve the OFQUAL regulated qualification. We will provide you with a support pack that provides guidance on how to complete the assessments.

** For those completing a L3 Certificate or above.
