DAVID MCLAUGHLIN CMGR FCFI CHMC (HE / HIM)

CHMC ASSESSMENT MANAGER, CMI

I am a professional experienced leadership, management and personal development coach and I love to help individuals and teams flourish and achieve their full potential by bringing training to life and making it real.

With a wealth of experience in life, management and learning and development at all levels including senior management, I am able to utilise my skills and knowledge to help organisations and individuals develop and grow.

I have been involved in education management and distance learning since the late 1990s and represented the UK in trans European education projects.

I am a Chartered Manager, Chartered Management Consultant and Fellow of the Chartered Management Institute.
