
The Arden Lecture - Sustainability in Action

Tuesday 27 January 2026

Speaker Biographies

Dr Nick Wylie CMgr FCMI, Associate Dean of the Faculty of Business, Arden University

Dr Nick Wylie has over 15 years experience working in Higher Education in a range of academic leadership and management posts. He was appointed Associate Dean of the Faculty of Business at Arden University in May 2023 where he has a range of responsibilities focused on growing the Faculty and enhancing student experience. Prior to this role Nick was Head of School at Coventry University and I also held posts at Oxford Brookes and University of West of England. Nick has a PhD from Warwick Business School and has published academic papers in the area of Human Resource Management and Management Consultancy. Nick is an Academic Member of the

CIPD and a Senior Fellow of the Higher Education Academy

May Ho CMgr FCMI, Founder and Director, artwhich

May Ho brings over 14 years of management and leadership experience across various fields, including technology advisory, sustainability, corporate responsibility, diversity, equity, and inclusion, and education. Since founding her consulting firm, artwhich®, in 2021, she has dedicated herself to co-creating with individuals and organisations (for-profit and non-profit) to integrate sustainability into their management and leadership practices. Through her training, coaching, and mentoring programmes, May is committed to driving purposeful, transformational change.

She lives in London, United Kingdom, where she serves as a STEM and Antarctic Ambassador. She has a keen interest in wine production and food pairing, having earned her WSET Level 2 Award in Wines with Merit. She is trained as a hobby archaeologist at the University of Oxford (Harris Manchester), having completed an MSc in Applied Landscape Archaeology (with Distinction). She is a CMI Chartered Manager Fellow, an Advance HE Fellow, holds an MSt in Sustainability Leadership from the University of Cambridge

(Fitzwilliam), an MA in Managing Archaeological Sites (with Distinction) from UCL, and a BA (Hons) in Graphic Design from Central Saint Martins, UAL.

May is open to collaborating on projects focused on resilient management and leadership strategies, as well as on sustainable business models and processes that promote long-term global success. May can be reached at hello@artwhich.com.
