

# Level 6 Improvement Leader

Equip people to lead complex change and continuous improvement

With Level 7 funding changing, the CMI Level 6 Improvement Leader apprenticeship offers a credible alternative for developing senior leaders. It builds the same high-level strategic and commercial capabilities as the Senior Leader Apprenticeship, preparing experienced managers to lead complex transformation and deliver measurable organisational impact. Backed by CMI's rigorous EPA and pathways to Chartered, it provides the credibility employers expect.

## Why offer the Level 6 Improvement Leader?

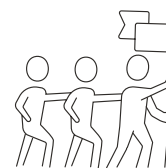

### Strengthen your portfolio

Attract ambitious leaders and corporate clients with an alternative senior-level apprenticeship.

### Leverage CMI credibility

Prestigious CMI partnership adds extra credibility, helping you stand out.

### Drive employer appeal

Deliver certified senior leaders equipped to drive large-scale organisational transformation.

**97%**

of partners agree that CMI resources support their apprentices in their learning goals.

“

Employers respect CMI's involvement, giving an additional level of quality assurance that their employees will receive a rigorous and industry-relevant End-Point Assessment. We truly couldn't have chosen any other EPAO than CMI to assess our apprenticeships.
