

HOW TO BENEFIT FROM CURRICULUM ENRICHMENT SUPPORT AND ACTIVITIES?

As an HE Partner, you will be allocated a Relationship Manager who will support you to maximise your partnership with CMI. They will be your first point of call and will keep you updated on our latest developments and research. They will also work with you to explore further opportunities of collaboration for mutual benefit.

Additionally, there are opportunities for local support through Regional Boards, including joint events. A Regional Board contact will be identified at the time the account is set up. They will work with you to deliver impact to your School, in collaboration with the Relationship Manager.

Interaction with Regional Boards will enable students to access a wealth of managerial experience, links to employers, networking opportunities, workshops and events that will enhance their development.
