

THE LANDSCAPE IS CHANGING.

The Age of Apprenticeships is here.

With the increase in opportunities that the Apprenticeship Levy has created, the time has come to start your Leadership and Management apprenticeships. Take advantage of the possibilities that lie ahead and start your journey with CMI.

THE NEW LANDSCAPE

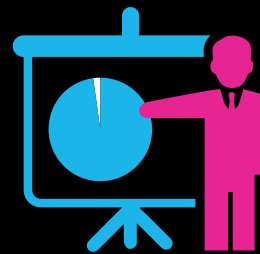

Following the recent announcement on the Apprenticeship Levy this is the proposed landscape for organisations in England.

£2.5 BILLION

is to be invested in apprenticeships by 2020

will be given to businesses that take on 16-18 year old apprentices¹

98% of employers in England will have

90% of training costs met¹

£1,500 ↔ £27,000

There are 15 bands of funding available

¹ Department of Business, Innovation and Skills, 2016

CMI CAN GUIDE YOU THROUGH THE NEW LANDSCAPE BY

Identifying your organisation's needs especially in light of the new Apprenticeship Levy

Guiding you on how your existing programmes can be aligned to the new Trailblazers

Mapping your existing programmes to CMI Diplomas

Recommending the best way to deliver the apprenticeships. There are 3 options:

- Finding a provider
- Partnering with your existing provider
- Yourself as a CMI Centre

Making sure you are 'delivery ready'

Helping you understand the funding available to you

Making the most of CMI support services to maximise apprentice engagement, experience and ultimately, organisational impact

Start your managers on their journey to Chartered status

THE BENEFITS OF APPRENTICESHIPS

Leadership & Management Apprenticeships are one of the best business opportunities available for you to develop the capabilities and performance of your managers and leaders.

THE NUMBERS STACK UP

For every **£1** of government investment in apprenticeships

£18

is generated for the wider economy¹

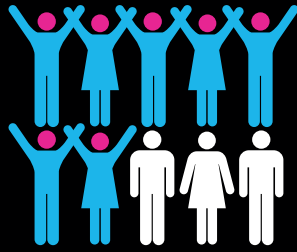

The average apprentice increases productivity by

£214 per week¹

71%

of apprentices stay with the same employer¹

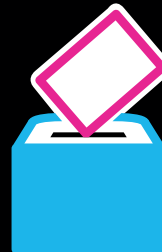

71%

of UK organisations admit that they fail to effectively train first-time managers¹

70%

of employers said apprenticeships improved quality and service¹

67%

of managers support the proposed Apprenticeship Levy²

¹ Department of Business, Innovation and Skills, 2016 ² The Age of Apprenticeships white paper, CMI, February 2016

THE BENEFITS TO APPRENTICES

92%

of apprentices said their career prospects have improved

Apprentices completing a higher apprenticeship could earn **£150,000** more during their career.
