

EPA BOOKING FORM

Upcoming EPA's

DETAILS

At CMI, we wish to ensure your EPA journey is a smooth and successful one. As documented in our SLA we must ensure 3 to 4 months notice as a minimum for booking EPA. This allows us to train and provide quality Independent Assessors. Scheduling the EPA in advance will also allow sufficient time to moderate the Portfolio's and Work Based Project and maximise support required for the EPA day.

From time to time we acknowledge that in extenuating circumstances a scheduled EPA might need to be postponed. Where possible we will do our best to facilitate all reasonable requests, but consider it very important to have an initial date booked in the diary to provide a deadline for the Apprentice to aim for and allow all parties ample time to prepare accordingly.

Please fill in the details below:

EPA Details

CMI EPA Data Capture Form

Name of University/Training Provider	
University/Training Provider Key Contact	
University/Training Provider Key Contact Email and Phone Number
