

Dear Member,

Welcome to your May Newsletter

Hello, I hope this month's update finds you well.

A big thank you to those members across the region who made their way to Birmingham last month for the Midlands regional conference. With a great selection of thought provoking and inspiring speakers, and the opportunity to meet and speak with members directly, it was an unqualified success!

For this year's event, the West Midlands Board took the lead on the planning and organisation. They did a great job and rightly deserve the positive feedback the event received.

Back in the East Midlands, we've a cracking couple of events coming up.

There's still time to book on to the annual [MacLaren Lecture](#) (23rd May). A joint event held with Aston University, you can hear CBI Director-General, Carolyn Fairburn, give her views on the prospects on the post-Brexit UK Economy.

On 29th June, we receive the Head of New Business at Leicester City Football Club, who will give what promises to be an insightful view of the role leadership and management played in Leicester City's stunning success as last season's Premiership Champions. An IR35 Q&A will follow, which will also be of great interest to members in the consultancy sector, to freelancers, those in the gig economy, and those with portfolio careers.

If you'd like to engage with the regional board and regional members, we can be found on twitter (@cmieastmids or #cmieastmids) or LinkedIn.

Have a good couple of weeks!

register for as well.

We look forward to extending a warm welcome to you at an event in the near future.

Kind regards,

Nathan Vear CMgr MCMI
